BTCC Bonus Campaign - Sign up and Deposit on BTCC to Get 3,500USDT!

Here we'll introduce three main BTCC bonus campaigns in detail. Read on to find out how you can participate to win these exciting rewards.

What Is BTCC?

BTCC ("BTC & Crypto") is a popular cryptocurrency futures exchange founded in June of 2011, making it one of the oldest platforms in the space.

Born from the mission to make crypto trading fair and reliable, the exchange focuses on being as user-friendly and transparent as possible.

The exchange holds licenses in US, Canada, as well as several countries in Europe., serving customers worldwide. This has allowed it to become a popular option among traders in these jurisdictions, as regulatory compliance has become an increasingly important concern among many.

Over the past couple of years, the exchange has been consistently improving the quality of its platform while also adding new features. Most users who choose the platform do so because of its liquidity, reliability, ease of use, and security.
