What is Popo the Frog (\$FROP)?

WHO IS POPO?

"Popo: From Launch to Legend" captures Popo's rise from digital launch to meme icon. With secure tokens, a vibrant community, and strategic marketing, Popo aims to surpass Pepe and dominate the meme sphere.

[Whitepaper](#)

Popo The Frog (\$FROP) is an innovative meme token project which has quickly ascended to become a symbol of community strength and innovation within the cryptocurrency space. By taking a

democratic approach where community feedback is not only valued but actively helps form strategic decisions, Popo is able to foster an ecosystem of mutual prosperity and inclusivity.

\$FROP is a multichain token, which means it will be available across eight major blockchains--BNB (main chain), Solana, Ethereum, Polygon, Avalanche, Arbitrum, Optimism, and Base. The multichain infrastructure ensures a wide network of support and accessibility. With a goal of competing with rivals such as Pepe The Frog (\$PEPE), Popo The Frog (\$FROP) seeks to be ranked among the leading meme coins in the market.

\$FROP Tokenomics

With a total supply capped at 111,111,111,111 tokens, Popo The Frog's tokenomics lays great emphasis on community engagement. These tokens are thoughtfully distributed across multiple segments within the Popo ecosystem, thus ensuring both sustainability and liquidity. Detail information about initial token distribution sets as below:

25% : Presale

25%: Staking

25% : Marketing

15% : Rewards

11% : Liquidity

TOKENOMICS

The \$FROP has a total fixed total supply capped at 111,111,111,111 tokens. This supply will be allocated across various segments within the Popo ecosystem:

PRESALE: 25%

With big plans ahead, 25% of \$FROP is available for early supporters who decide to join Popo's army.

STAKING: 25%

Popo wants to encourage believers to invest and hold \$FROP while offering amazing returns, 25% of supply has been reserved for staking.

MARKETING: 25%

Popo understands the importance of being known so 25% of the \$FROP supply will be going to marketing, ensuring Popo's Army keeps growing.

REWARDS: 15%

As a token of appreciation and gratitude to all the members, 15% will be used for rewards and community airdrops.

LIQUIDITY: 10%

To get \$FROP to as many places as possible, Popo has reserved 10% of supply for CEX and DEX listings.

Notably, to maintain a healthy token economy, the project will incorporate a burn mechanism that progressively reduces the total supply of \$FROP tokens, thereby ensuring their scarcity. As part of this strategy, all unsold tokens from the presale phase will undergo a burning process, which could potentially stimulate an increase in the token's value as demand grows.

I have done my own research and understand that investing in cryptocurrency involves risk and may result in loss of investment. By participating in the presale, I fully agree to the terms of the presale.

Notably, the official website indicates the project is already poised to go live on multiple tier-1 and tier-2 cryptocurrency exchanges, including OKX, ByBit, KuCoin, HTX, Gate.io, and MEXC.

Popo has confirmed upcoming listing date on centralized exchanges, which is scheduled for September 30th. Undoubtedly, the debut launch of \$FROP on crypto exchanges will boost its visibility and liquidity.

As the debut launch is approaching, there is limited time to secure the tokens at presale prices. Once the presale ends, it may become difficult for investors to acquire \$FROP at its current rate.

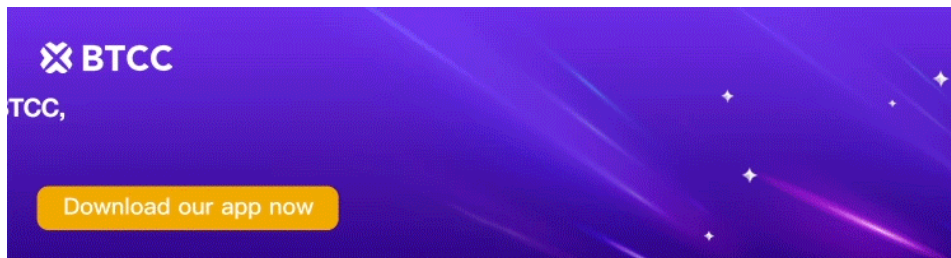

Is Popo the Frog (\$FROP) a Good Investment in 2024?

Popo the Frog boosts several features helping it stand out. Specifically, as a multi-chain token, \$FROP is being supported by Base, Avalanche, Optimism, BNB Chain, Ethereum, Polygon, and

Solana. Besides, Popo offers generous staking rewards, and will launch airdrops and other incentive programs to encourage continued participation from the community.

Overall, the project's growing momentum, combines with its engaging narrative and strong community, makes it a top meme coin to watch this season. However, whether Popo the Frog (\$FROP) is a good investment is highly depends on traders' investment preference and risk tolerance, all investors are advised to do profound research and stay well-informed before making any investment decision regarding Popo the Frog (\$FROP) meme coin.
